RECYCLING AND WASTE REDUCTION EFFORTS

Recycling is a huge step towards conserving natural resources and landfill space. However, we need to do more to help our environment. We need to think of recycling as one part of a bigger picture – waste reduction.

HINTS ON WAYS TO REDUCE WASTE & RECYCLE:

- Always use both side of paper (think "scrap paper").
- Recycle when you're away from home too.
- Get your kids involved, they'll think it's fun!
- Buy in bulk.
- Buy concentrates.
- Buy products in larger sized packages.
- Buy only what you can use up or share.
- Remember, convenience products often cost and waste more!
- Reuse products and containers as much as possible.

***** CITY DUMPSTER HOURS AT CITY GARAGE *****

YEAR ROUND: 1ST AND 3RD SATURDAY OF EACH MONTH FROM 8:00 AM TO 12:00 PM.

APRIL 1 ST TO THE 4 TH WEDNESDAY IN OCTOBER: 2ND & 4TH WEDNESDAY OF EACH MONTH FROM 3:00 PM TO 5:00 PM.

ITEMS ACCEPTED at the city dumpster include old furniture, old tv's, old pieces of carpet, and recyclable metal such as stoves and water heaters.

ITEMS NOT ACCEPTED at the city dumpster include waste materials from remodeling projects and any appliance that contains freon. These appliances include refrigerators, freezers, air conditioners, and dehumidifiers. Regular garbage and recyclables are also NOT accepted at the city dumpster.

Tires are also accepted, but a fee of \$2.00 per tire will be charged. Residents can prepay this fee at City Hall before dropping the tires off at the dumpster. They will then be given a receipt as proof of payment, which must then be shown to the attendant at the dumpster when dropping off the tire(s). If residents do not prepay the fee, a "Tire Recycling Fee" form will be completed by the attendant at the dumpster showing the fee due. This fee must be paid at City Hall within seven (7) days, or the City will invoice the resident and add a 4.5% administrative fee.

RESIDENTS WILL BE REQUIRED TO SHOW PROOF OF RESIDENCY WHEN DROPPING OFF ITEMS AT THE CITY DUMPSTER!!!

FOR DISPOSAL OF REMODELING PROJECT WASTES:

CALL a local solid waste contractor to get a dumpster. Residents can call Veolia Environment Services at 387-0987 or check the "Yellow Pages" for other solid waste contractors.

*****MOTOR OIL*****

DRAIN OIL FROM VEHICLE. PUT IN A COVERED CONTAINER that is clean or has been used only for motor oil. TAKE TO CITY DUMPSTER at the City Garage. Oil will only be accepted during city dumpster hours. NEVER MIX used motor oil with anti-freeze, gas, paint, paint thinners, pesticides, solvents, or other liquids.

*****YARD WASTE DISPOSAL *****

SPREADER AT CITY GARAGE OR LEAF SITE:

A spreader is located on the west side of the garage and is always open. The leaf site is located at the end of Industrial Road and is also always open.

*****OPTIONS FOR DISPOSAL OF REFRIGERATORS, ETC.,*****

Appliance Turn-In Program. Through this program, Juneau Utility Commission will pick up older, spare appliances at no cost. Room air conditioners and dehumidifiers may also be turned in, but only after a qualifying refrigerator or freezer is scheduled for pick-up. Scheduling an appliance for pick-up is fast and easy. Just call **1-800-922-3744** toll free or visit www.arcaincutility.com. Useful parts will be recycled, and dangerous PCB's and ozone-damaging CFC's will be recovered. -OR-

CALL A LOCAL SALVAGE COMPANY. One local salvage company residents may choose to call is La Grange Salvage at 887-2278. If items are dropped off at the salvage yard located at W9679 Iron Road, Beaver Dam, a small fee will be charged. La Grange does offer pick-up service, but the appliance must be out of the house and easy to load. There is an additional charge for this service. Check the "Yellow Pages" for other salvage companies.

*****Brush Pick Up*****

Year Round: Every Thursday. DO NOT TAKE BRUSH TO SPREADER OR LEAF SITE. Brush should be placed on the terrace between sidewalk and curb. Place butt ends in same direction that traffic flows. Don't pile over 3' high. Must be piled in an orderly fashion with no pieces over 6" diameter. Tangled piles will be tagged and left until re-piled. Do not haul brush to leaf site of City Garage. If you have any questions, contact Wayne at the City Garage (386-3305).

*****Winter Parking Rules*****

Effective November 15, 2009 to April 15, 2010 there shall be no parking on any City of Juneau streets from 2:00 AM to 6:00 AM. The City of Juneau Police Department does not issue any parking permits. Vehicle owners should find alternative parking during this time period.

*****Impounded Animals*****

The fee for impounding animals running at large is \$20 per day.

*****Snow Removal*****

The owner shall within 24 hours after a snowfall remove all snow and ice, which has fallen or accumulated upon the sidewalks and handicap ramps. If ice can't be removed, the owner shall sprinkle a material upon the sidewalk, which will prevent the sidewalk and ramp from being dangerous to pedestrians. It is also recommended that snow be removed from around fire hydrants. No person shall cause snow to be deposited from their property onto any street in the City of Juneau.
